#### **4/ Limitation of liability for website content**

The content of this website has been created with the greatest possible care and to the best of our knowledge. We are responsible for it only in the context of the general laws. For third-party content (if applicable), we are only responsible from the moment in which we become aware of violation of the law. We reserve the right to change or delete content in whole or in part.

#### **5/ Limitation of liability for links**

We are not responsible for the content of external websites to which we provide direct or indirect links. The operators of the linked sites are solely responsible for their content. At the time of linking, we were not aware of any illegal content on the linked pages. Since we have no influence whatsoever on the current and future design and content of the linked pages, we expressly distance ourselves from all content on all linked pages. For all contents and in particular for damages, which result from the use of the information available on the linked websites, only the provider of the linked website is liable. If we become aware of any illegal, unlawful, or incorrect content on any linked site, we will remove the link.

#### **6/ Copyrights/ image sources**

The content and works created by MAX MÜLLER on this website are subject to the relevant copyrights. Duplication, processing, distribution, and any form of commercialization of such material beyond the scope of the copyright law shall require the prior written consent of MAX MÜLLER. For content that was not created by us, the copyrights of third parties must be respected. In particular, third-party content is identified as such. Should you nevertheless become aware of a copyright infringement, please inform us accordingly. If we become aware of any infringements, we will immediately adapt or remove such content. All images used on this website are the property of MAX MÜLLER and are subject to the copyright of MAX MÜLLER. This does not apply to images that we have acquired from license partners such as Shutterstock and for which the corresponding licensing rules apply.
